

Chalet Melezes - Sleeps 8

Set in a prime location at the end of a private lane in Val d'Isere centre, Melezes is the perfect holiday apartment for convenience and tranquillity. Less than 300 metres from the main lift stations and overlooking the small woodland Melezes comfortably sleeps 8 people in four good sized rooms.

Our duplex apartment in the Chalet Melezes occupies the top two floors of a privately owned and run residence building. The large bedrooms are light and spacious but please be aware one of the rooms has limited head height due to the exposed wooden beams. Downstairs the open plan lounge and dining area offer ample room for relaxing after a hard day on the slopes and enjoying delicious home cooked food at the large dining table. In the cold winter a warm cup of tea (or something stronger) in front of the open log fire will have you feeling relaxed and right at home in no time.

Due to the private, exclusive nature of Chalet Melezes, this apartment is not suitable for lively groups. Noise restrictions are in place at all times which must be adhered to.
